Summer Recap and Fall Updates

FEAST FOOD ACCESS INITIATIVES

Since March, FEAST has delivered over **15,000 lbs. of fresh produce** and **1,000 meals** to over **300 families** living in the South Los Angeles, Boyle Heights, and MacArthur Park communities. To make this possible, we drove a total of **1,800 miles**, almost the distance it takes to drive to The Bean in Chicago! Thank you so much to our volunteers and supporters for helping to make this possible.

UPCOMING FOOD DISTRIBUTION

On **September 12 from 9 am - 12 pm**, FEAST is joining forces with L.A. Care's Inglewood Family Resource Center and the Weingart YMCA Wellness & Aquatic Center to host a drive-thru food distribution event at 9900 South Vermont Avenue, Los Angeles, CA 90044.

We welcome the community to drive-thru and pick up a bag of assorted groceries. We'll be giving away **100 recipe boxes** for our Black Bean Quinoa Salad and **400 \$20 gift cards** to Food4Less/Ralphs on a first come, first serve basis.

THANK YOU TO OUR FOOD SPONSOR PARTNERS

FEAST VIRTUAL PROGRAMS

Congratulations to all of our 67 new FEAST Graduates from LA Care Inglewood Family Resource Center, The Wellness Center, The Karsh Center, Heart of Los Angeles, and Foshay Learning Center. During the transition to virtual classes, FEAST programs continued to provide key services in **Food Education, Access, and Support** during this challenging time.

"I love that we can share about the different challenges we experience each week. The sharing topics are like healing therapy, and everybody listens with respect."

- Soledad P., Graduate of The Wellness Center Group

"Apart from the bags of food, we have received something of much greater value. We have received a great example of giving and sharing. Thank you for all that you're doing. Bless you for your humanity and huge hearts."

- Ange M., Graduate of The Karsh Center Group
